A Centerville soldier who has been in the army little more than seven months, has been listed as missing in Korea.

He is Pfc. Dwino Joseph Bassignani, 24-year-old son of Mr. and Mrs. Pietro Bassignani of Fremont Avenue, Centerville.

The parents received a telegram from the War Department last Friday that their son has been missing in combat since August 11.

The youth graduated from Washington Union High School with the class of 1946 and since that time had been a part-owner in the Niles Vegetable Gardens with his brother, Arnold, and two friends.

He was called into service the day before Christmas, last December, and trained at Fort Ord and Camp Roberts.

He completed his training this spring and left immediately for the fighting front in Korea.

He arrived in Korea the first week in July and was assigned to the Heavy Motor Company of the Second Army Division.

His brother, Arnold, a veteran of World War II, said yesterday that he had written to two of Dwino's overseas buddies in an endeavor to learn more of the circumstances.

"In the meantime we are praying and hoping that he has only become separated from his unit and may be found alive," Mrs. Bassignani said yesterday.

## EVENING CLASSES TO BE STARTED

Although most of the evening school classes at Washington High won't start until September 24, two classes will be opened prior to that date, according to Warren Gravestock, principal of the evening school.

The carpentry apprentice class will get under way on Wednesday, September 12, at 7 o'clock, under the direction of William Kees. The class will meet every Monday and Wednesday thereafter from 7 to 9:30 o'clock.

For the convenience of those who wish to register for these courses, Gravestock will be in his office at the high school every evening, starting September 11.

Further announcements concerning adult classes at the school will be made at a future date in The Register.

## CHILD DROWNS IN ALAMEDA CREEK

Little Terrance Mackey, 19-months-old son of Mr. and Mrs. Eugene Mackey, residents of the trailer court in Niles Canyon, drowned in Alameda Creek late yesterday afternoon.

The boy had been playing with other youngsters along the edge of the creek bordering the camp. Just when he fell into the creek is not known, but the other youngsters ran to the camp screaming that he was missing and believed to have fallen in the creek.

The tiny body was found in but a few feet of water near the place where the children had been playing.

The mother and neighbors rushed the infant to the Niles firehouse and the fire crew began working over the boy with the resuscitator at 5:10 p.m.

Aided by Dr. Lyle Buehler, the firemen worked frantically over the boy until he was pronounced dead by Dr. Buehler at 6:05.

The father, working at Camp Parks, was unaware of the tragedy until he arrived home a short time after his son had been pronounced dead.

The drowning was the second to occur in that section of Alameda Creek this summer.

On Sunday, July 29, another boy, 11-year-old Don Jim Porter of Hayward, lost his life while wading less than a half mile from the scene of yesterday's tragedy.

## INJURIES FATAL TO IRVINGTON YOUTH

Injuries suffered in a motorcycle accident more than five months ago, last Friday claimed the life of Raymond Leonard Alender, 25-year-old World War II veteran of Irvington. The young man had remained in a coma in the Veterans Hospital in Oakland from the time of the accident until his death.

He was the son of Mrs. Anna Allender of Irvington; brother of Mrs. Joseph M. Bettencourt Jr. of Irvington, and grandson of Mr. and Mrs. William Ramsell of Irvington. He was a native of San Francisco.

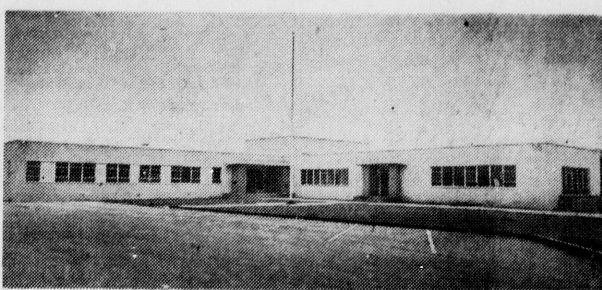

Services were held Tuesday from the Berge Mortuary in Irvington, followed by a requiem mass at St. Joseph's Church, Mission San Jose.

The body was laid to rest with full military honors at the Golden Gate National Cemetery in San Bruno.

## SHERIFF'S RESERVE CORPS TRAINING RENEWED SEPT. 17

Southern Alameda County Sheriff's Reserves trainees will embark on the second section of their civil defense training program, Monday, September 17, at Washington High School, Sheriff H. P. Gleason announced this week.

Some 400 enrollments are expected in the classes, which will be conducted three times weekly through April, 1952. Monday classes, starting September 17, at 7 p.m., will be held at Washington Union High School, Centerville; Tuesday classes at Hayward Union High School, Hayward; and Thursday classes at the Santa Rita Rehabilitation Center.

Mob and crowd control and riot prevention will be among phases of the law enforcement to be studied by the civil defense recruits, who will be deputized on completion of the course in April, 1952.

Lt. Floyd Heffron of Santa Rita Substation is directing the training program for Sheriff Gleason, who instituted the classes last winter as a major phase of the south county civil defense setup.

In addition to the special studies in crowd psychology, subversive activities and related subjects, the law enforcement students will receive standard police course instruction.

From October 8 through October 22, special classes in baton drill, and drill formations will be conducted as follows: Monday evenings, Washington Union High School, Centerville; Tuesday evenings, Hayward High School, Hayward; and Thursday evenings, Amador Union High School, Pleasanton.

Lt. Heffron states that classes conducted during the week will be the same in all three locations. Men unable to attend the class in their own district may attend either of the other sessions during the week, and receive full credit.

## COUNTY BUILDING WILL BE DEDICATED SUNDAY, SEPT. 16

Arrangements were completed this week by a committee from the Washington Township Chamber of Commerce for the dedication of the new Alameda County office building on Fremont Avenue on Sunday, September 16.

The program will be held at 2 p.m. outside the entrance to the building. At the conclusion of the program the building will be opened for the inspection of the public.

The dedication address will be delivered by Chester E. Stanley, vice-chairman of the Alameda County Board of Supervisors. Stanley has announced that his topic will be "Growth of Washington Township."

Sheriff H. P. Gleason will describe the operation of his new substation here and introduce the officers who will be in charge of law enforcement in this area.

The committee from the Township Chamber working out the arrangements includes Peter Juhl, A. E. Alameda and Allan Walton. Alameda will serve as master of ceremonies and introduce the honored guests from the various county agencies.

Parking facilities have been arranged to the rear of the building.

## BLOOD DAY SET FOR TOWNSHIP

For the first time in two months, the mobile blood unit will again be in the township. The date has been set for September 17, according to Mrs. W. L. McWhirter, blood procurement chairman.

"Because there has been such a lapse of time since the blood unit has been here," said Mrs. McWhirter, "we are hopeful — even confident — that the response will be gratifying. We have only to see pictures, and hear stories, about the dire need for blood for the wounded in Korea to make us realize that we here in Washington Township simply must fill our quota. We must have at least a hundred donors this time. Do we dare let them down — those boys of ours in Korea?"

The hours of the blood procurement have been set from 8:30 a.m. to 2:45 p.m. Those who do not make appointments are welcome to come in at any time during those hours. Those who are able to make appointments, however, can make them with the following town chairmen: Mrs. J. V. Orsetti, Alviso; Mrs. Isabel Riggs, Alameda; Mrs. Isabel Mandrago, Alvarado; Mrs. Ralph Goodwin, Centerville; Mrs. Bernie Joseph, Decoto; Mrs. A. E. Alameda, Irvington; Mrs. Lois Bottenberg, Mission San Jose; Mrs. Cline Hayward, Newark; Mrs. Lyle Buehler, and Mrs. Elmer O'Connell, Niles; and Miss Kato and Mrs. O. Pohl, Warm Springs.

## DECOTO WILL GET NEW DIAL SYSTEM

Construction began this week on Decoto's new community dial office building to be located on the corner of H and Seventh Streets, it was announced by Pacific Telephone Manager S. D. Smith.

## CAVE-IN BLOCKS RAIL TUNNEL IN NILES CANYON

A crew of workmen narrowly escaped death in the long Western Pacific Railroad tunnel in Niles Canyon Tuesday morning when the overhead gave way and approximately 50 tons of gravel and dirt crashed to the tracks below.

The maintenance crew had been working in the tunnel for several weeks replacing the overhead sections. Shortly before 10 a.m. Tuesday they began removing a section for replacement about 300 feet from the east end of the long tunnel. Suddenly they detected loose dirt and rock sliding through the cut and dashed clear just as the ceiling gave way.

The crew's equipment was crushed beneath the debris.

Rail officials reported that the break was the result of a "pocket" of loose soil over the tunnel.

Emergency crews were rushed here from Oakland and worked throughout the night resealing the top of the tunnel and clearing the debris from the tracks.

In the meantime the Western Pacific trains were routed through the canyon over the Southern Pacific's lines.

The tunnel was cleared and traffic resumed early Wednesday morning.

## LOCAL GROWERS WIN VEGETABLE AWARDS AT FAIR

Vegetable growers of Washington Township entered 45 exhibits at the California State Fair and won 33 prizes, in addition to three vegetable "sweepstakes," a record seldom achieved by any one group.

The vegetables were shown in conjunction with the Alameda County display at the Sacramento exposition.

Much of the credit for the success of the display goes to the Shikano Brothers, "Kaz" and "Chuck," who arranged the entries and contacted the growers, all of whom are members of the Southern Alameda County Chapter of the Japanese-American Citizens League. Miss Kiyo Kato of Warm Springs is president of the league.

The members of the Alameda County Board of Supervisors this week expressed their appreciation to the League in an announcement that "They have rendered an excellent service to their county." In addition to the Shikano Brothers, prizes were won by Sam Yamanaka, Yas Kato and Henry Kato, all of Warm Springs; Yutaka Handa and Tok Murakami of Niles; James Sekigahama of Centerville; Don Takizawa and George Fukui, both of Irvington.

## School Bells Ring Tuesday; Classroom Space at Premium

An all-time record number of students are expected to answer the call of the school bells throughout the township next Tuesday morning when the 1951-52 term opens in the nine elementary schools and Washington Union High School.

School principals, unable to determine just how sizeable the increases will be in each of the schools, are fearful of the problems which may confront them in solving classroom arrangements.

J. V. Gould, high school district superintendent, estimated yesterday that the school's enrollment would exceed 850 students. He pointed out that last year's graduating class totaled 132 but the number of students graduated from elementary schools last spring indicates that this year's Freshman class at the high school will exceed 250.

"We also have every reason to believe that there are a large number of upper classmen who will come to school here on transfer this fall," Gould added.

The new annex to the school is not expected to be completed before the Thanksgiving vacation, Gould said, thus creating a classroom housing problem during the opening months of the term.

Greatest classroom housing problem among the elementary schools is expected at Centerville and Newark where plans have been approved for the construction of new school units but will not be ready for this year's term.

Although the apprentice class in carpentry of the Washington Evening School will begin classes on Wednesday, September 12, the regular sessions of the evening school will not open until September 24, according to Warren Gravestock, principal.

## ZONING EXPANSION ASKED AT DECOTO

The expansion of the Decoto Zoning Ordinance to allow for additional commercial areas is to be sought by the Decoto Chamber of Commerce.

L. J. Fine, who presided over Tuesday evening's meeting, named George Smith chairman of a committee to work out proposed expansion plans. Serving with Smith on the committee will be Manuel Hidalgo, Eddie Paniagua, Manuel Seoane, Bernie Joseph, Jack Faletti, Al Ferreira and L. J. Fine.

The possibility of the de-control of rent in the community was discussed and it was announced that all landlords interested should plan to attend the next meeting on October 2.

Manuel Seoane and Bernie Joseph were named to represent the community at the township-wide zoning meeting to be held October 3 at the new county building under the auspices of the Washington Township Chamber of Commerce.

## SPORTSMEN SET DATE FOR SHOOT

## CARAVAN TO VISIT HERE WEDNESDAY IN BRIDGE CELEBRATION

A gala "hands across the bay" celebration to mark the state's acquisition of the San Mateo and Dumbarton Bridges will be held Wednesday.

Heralding the event as the opening of a new era for business, industry, scientific progress and better living, the committee, headed by Fred Cox of the Hayward Area Chamber of Commerce, include representatives of the Associated Chambers of Commerce of Alameda County.

California Toll Bridge Authority members, state highway officials, engineers and county Officials from Alameda, Santa Clara and San Mateo counties and officials of cities around the southern rim of the bay will be invited to lead the huge caravan of decorated cars across the two bridges, Cox said.

The caravan will form at Hayward and will include autos from all of the communities of Washington Township. Most of the township cars will join the caravan at Decoto.

The long caravan will drive through Decoto, Niles, Mission San Jose, Irvington, Centerville and Newark, across the Dumbarton Bridge; through the cities on the peninsula side of the bay and back across the San Mateo Bridge to Hayward.

A barbecue dinner is to be held in Hayward at the conclusion of the drive.

The caravan is scheduled to leave Hayward at 2 p.m. and arrive back in that city for the barbecue about 5:30 p.m.

The committee has voted to omit floats from the caravan, restricting entries to decorated automobiles.

## DAY BY DAY IN DECOTO

By GRACE CAMINADA

## HOVERING AGAIN

After a few week's rest the stork hovered over the Decoto Medical Building and delivered Amalia Ferdin, daughter of Mr. and Mrs. Luis Ferdin of 707 Fifth Street. She arrived on August 25 at 5:16 a.m. and tipped the scales at five pounds and eight ounces.

Born on August 28 at 2:20 p.m. was Patricia Susan Morales, daughter of Mr. and Mrs. Joseph Mora-

les of 618 Sixth Street. Patricia weighed 7 pounds and 2 ounces.

## DINING OUT

Your reporter and husband, Rinaldo, decided to "park" the youngsters and motored to Oakland last Monday to enjoy a delicious dinner at the El Curtola. Who said frog legs weren't delicious?

## UP AGAIN

Warren Wallace is up and around in time for school, after

a few weeks of being ill with some kind of virus.

## STILL HOMESICK

The former Lucy Marianni of Centerville has now adjusted herself to the Alaskan climate as she and her husband, Aaron, will be there for at least another year. Lucy's husband, who is in the U. S. Navy, is stationed in Kodiak, Alaska. Lucy,

Grace Caminada

now Mrs. Aaron Estabrook, left this June to join her husband, but from her letters home she claims the weather is nice and the scenery is beautiful but she is still homesick.

## AWARD RECEIVED

The Combat Infantryman's Badge has been awarded to Pfc. Manuel E. Garcia, husband of Mrs. Eleanor F. Garcia of Decoto, who is serving with the Eighth Cavalry Regiment of the First Cavalry Division in Korea.

## WEEK-END GUESTS

Mr. and Mrs. Ray Grossutti of San Mateo and her son, Emil, were week-end guests of Mr. and Mrs. F. Fantuzzi of the Niles-Alvarado

Road. Emil played accordion selections for the Caminada-Ponti wedding on Sunday.

## THE HUNTERS

Dick Kelly, one of the fortunate hunters to get a deer on the first day of the season, has now been joined by Eugene Luna of San Leandro, Pat Luna of Niles, George Costa, Edward Nieves (with two) of Hayward, and Danny Elizarrey all capturing their four-legged animals in the hills nearby. There are probably many more who have a deer to their credit but I haven't heard of them yet.

## AUCTION ON

The Zwissig Dairy started their auction yesterday and it will con-

tinue today and tomorrow. It is one of the largest auctions to be held in this part of the state. Prize cattle are being sold at the dairy.

## LUCKY WINNERS

Mr. and Mrs. Eddie Fantuzzi of Alviso are still finding it hard to believe that they were the winners of the door prize last Monday at Linda Vista Park when the Lucky Stores held their annual picnic. The prize was a new freezer pack full of frozen foods. Both Eddie and Anita are measuring space for the freezer in their new home which is near completion.

Mrs. Elvie Cordoza is recovering nicely from a recent major operation performed last week.

## PASTRY SALE SATURDAY AT IRVINGTON BY Y.L.I.

A pastry sale is to be held Saturday at Leal's Hall in Irvington under the sponsorship of St. Jude's Institute, Y.L.I., of Irvington, according to June Lewis, chairman of the ways and means committee.

She also announced that plans are under way for a fashion show and dessert whist that will take place in the near future.

### BARBARA PONTI AND BRIDEGROOM NOW ON HONEYMOON IN THE SOUTH

Miss Barbara Ponti and Rudolph Caminada, both of Centerville, were united at a double ring ceremony last Sunday afternoon at the Holy Ghost Church in Centerville, with Father Curran officiating.

The bride, escorted by her father, wore a floor length gown with lace bodice and nylon net skirt with a nylon net cape trimmed in lace. She wore a fingertip veil held in place by a crown of seeded pearls and carried a shower type bouquet of white carnations and bouvardia and white streamers with a white orchid center.

Mrs. Anne Padgett, the bride's sister, was the sole attendant and she was attired in a similar style dress as the bride's, only in aqua with matching hat. She carried a shower type bouquet of pink carnations with maroon streamers.

Four-year-old Diane Rae Caminada, cousin of the groom, flower girl, was in a yellow ruffled organza dress. She carried a shower type bouquet of pink carnations with aqua streamers and wore a wreath of pink carnations in her hair.

Remo Caminada, the groom's brother, served as best man and Keith Padgett, the bride's brother-in-law, Don Vardaneaga and Rinaldo Caminada, both cousins of the groom, served as ushers.

The bride's mother wore a blue lace dress with black accessories and wore an orchid corsage.

A reception for about 200 guests immediately following the ceremony, was held in the lovely garden of the bride's parents at 294 South Main Street in Centerville. A buffet dinner was served after

which Barbara and Rudy cut their beautiful four-tier cake. Dancing was enjoyed by all.

Barbara chose a black and white check suit with white accessories with which she wore a white orchid when she and her husband left for their honeymoon to the south.

They will reside in their new home on Stevens Street in Centerville by the latter part of this month.

Barbara, daughter of Mr. and Mrs. Felice Ponti, is a graduate of the local schools, attended the University of California, and is now employed with a law firm in Oakland.

Rudy, a native of Decoto, is the son of Mr. and Mrs. Marino Caminada, now of Italy. He served in the Indian, Burma and China war theaters in the Army Air Force with which he served three and a half years. He is now co-owner of the Excelsior Bakery in Centerville. —Grace Caminada

### Centerville Couple Have Holiday in Carmel

Mr. and Mrs. A. F. Anderson of Centerville spent the Labor Day week-end in Carmel at the home of Mrs. Anderson's sister, Mrs. C. H. Hirst.

Also a house guest at the Hirst home was Sandra Cowen, a former school chum of Susan Lee Hirst in the Philippines. Miss Cowen is the daughter of Ambassador and Mrs. Myron Cowen, who are here to attend the peace conference in San Francisco. Ambassador Cowen is the ambassador to the Philippines.

The Andersons not only enjoyed their visit with the Hirsts but considered themselves fortunate in meeting Miss Cowen, whose association with the diplomatic corps has made her an extremely interesting young woman.

### Niles Family in Victorville

Mr. and Mrs. L. L. Lewis and daughter, Charlotte, spent the week-end holiday with their son-in-law and daughter, Lorretta, at Victorville, where he is stationed as an officer at the George Army Air Base.

The Lewises report a wonderful trip. They left Saturday and returned Monday night, traveling 850 miles without seeing a mishap of any kind, except awakening a sleeping driver in front by tooting their horn. The driver crossed the white line to the left of the highway to stop only two feet from a cliff! The driver thanked Mr. Lewis and went back to sleep.

### Return from South

Ted and Elsie Econome, restaurant proprietors of Niles, have returned from a week's trip to Southern California, where Ted was a winner in the "daily double" at the Del Mar race track. They also went over the border to Tia Juana and watched the jai alai games, which they found very exciting.

### Buehler Family On the Go

Dr. and Mrs. Lyle Buehler and their oldest son, Donald, have returned from a two weeks' vacation that took them up as far as the Rogue River. They were accompanied by Mrs. Buehler's sister and family, the James Youds from Hawaii.

The Youds have friends who have a ranch near Gold Beach, Oregon, and it was there that the group made their headquarters. While the men fished, the women swam and just generally relaxed. One of the interesting spots they visited while in the north was the Hoopa Indian Reservation.

The Youds, who have been away from the Islands for some time, planned back home last Saturday. On their plane, incidentally, was the championship Hawaiian swimming team. The Buehler family went over to the airport to see them off and all had a farewell dinner in San Francisco before the plane's departure.

### Five Couples Celebrate Anniversary

Five local couples—all celebrating anniversaries—motored over to San Francisco Saturday night and dined at the Paris Louvre Cafe. ### Visitor from the Desert

Mrs. Chester Elder and daughter, Mary Louise, of Ridgecrest, were week-end guests of Mrs. Clifford Dennis. Mrs. Dennis formerly lived in Ridgecrest, a desert town in Southern California. During Mrs. Elder's stay here, they dined at the Old Hearst Ranch.

### ELIZABETH BETTENCOURT BECOMES BRIDE OF SAN FRANCISCO MAN AT NUPITAL MASS

Elizabeth Rosemary Bettencourt, of Niles and Alfred J. Klingler of San Francisco were married on Saturday, September 1, at nuptial mass at the Holy Ghost Church in Centerville. Father Curran officiated.

The bride, daughter of Mr. and Mrs. George C. Bettencourt of Niles, wore a gown of marquisette and lace with matching fingertip veil. She carried a prayer book with a white orchid and lily of the valley marker. She is a graduate of local schools and St. Joseph's College of Nursing and has been a surgical nurse for eight years.

The groom is the son of Mr.

and Mrs. Carl Klingler of San Francisco.

Maid of honor and the bridesmaid, sisters of the bride, Elaine and Evelyn Bettencourt, wore ankle length strapless gowns of yellow net over taffeta. They both carried baskets of yellow and green daisies and wore yellow daisies in their hair.

The church was decorated with white chrysanthemums and white gladioli.

George Bettencourt, brother of the bride, served as best man and George Klingler, cousin of the groom, usher. Ushering at the church was Bob Garcia of Hayward.

A reception followed immediately after the ceremony at the Country Club, which was decorated with arrangements of gardenias, chrysanthemums and gladioli. Flower arrangements were by Bob Goepfner of Podesta and Baldochi of San Francisco.

Mrs. Bettencourt, mother of the bride, wore a beige suit with brown accessories and her hat and gloves were orchid.

The groom's mother was in a navy blue crepe, with navy accessories. Both women wore beautiful orchids.

Organist at the church was Mrs. George Silva and Matt Whitfield and Elaine Joseph were vocalists.

The bride chose a brown faille suit with matching accessories and a stonemartin neckpiece for her honeymoon. They will spend three weeks in Canada before settling down in their San Francisco home. —Irene Mendonca

BEEF PRODUCTION MEETING SEPT. 15

Increasing efficiency of beef production will be featured in public demonstrations at the Cattlemen's Field Day on Saturday, September 15. The program will start at 9 a.m. on the Moller Meat Company ground, one mile south of Dublin on State Route 21. The program will end at 12:30 when lunch will be served to all by Henry Moller and his family.  
One means of improving efficiency is to breed heifers as yearlings in place of the usual practice of breeding them as two-year-olds. Fred and Howard Weidemann of San Ramon are bringing some cows and calves to show the advantages of such a breeding program.  
H. W. "Jimmy" Kolb and Bill Kolb of Dublin will supply cattle for another demonstration of efficient beef production. The Kolbs are selling 700 800-pound calves at 11-12 months of age.

California produces about 98 per cent of the U.S. diatomite.

## HEALTH OF SCHOOL STUDENTS STRESSED

A pamphlet entitled "Healthy Children Learn Better" has been prepared by the Alameda County Health Department as a guide to parents of school children.

Of greatest importance, from the standpoint of the health department, is immunization and vaccination protection. It was pointed out that immunization must be renewed to keep the protection up to date.

"Children with toothaches or decayed teeth will not be as comfortable in school as healthy youngsters. When your child starts to school it is a good time to have another check by the dentist," the pamphlet states.

The selection of good foods for the youngsters' diet with nutritious food and a minimum of sweets will help develop strong teeth.

A careful examination by your family doctor should be scheduled to determine whether your child can adjust to regulate school activities, or whether there should be limitations on his activities; whether he sees as well as possible; whether he hears well enough to understand the teacher from the back of the room, whether there are other special handicaps or assets the school should know about your child.

Some diseases like mumps or measles are common to children. Some time in your child's school life he will probably have these. They often start like a common cold, and it is during this stage that the disease may be spread quite easily to others.

Learn to be a good observer of your child, keep him home from school if he seems to have symptoms of disease.

## TELEGRAM MINIMUM WORD RATE UPPED

For the first time in 100 years Western Union is eliminating its historic 10-word telegram minimum and expanding the initial word allowance, it was announced this week by Ken Bruner, local Western Union manager.

## 'LIFE OF CHRIST,' STAGE PRODUCTION, OPENS SEPT. 14

Of all the world's Passion Plays the Oakland stage production which starts Friday, September 14, at the Oakland Auditorium theater, is the first in history to be named "Life of Christ."

It also is the first in history intended to present the story on the stage factually as recorded in the Scriptures, without interpretation.

These claims were made this week by Galard Slonaker, the producer-playwright, whose cast of 52 experienced actors will present in 30 fast-moving scenes the life of Christ from birth to resurrection and ascension.

Stage Directors Richard Freye and Jules Landry will have the large cast bring to life the drama of the writings of the four apostles Matthew, Mark, Luke and John, according to Slonaker, "so that even persons who have difficulty reading the Bible will suddenly find the Scriptures provide the greatest medium for the stage, whether for entertainment, education, inspiration or historical information." Slonaker said "Life of Christ" is for people of all faiths.

Proceeds are to be used to establish a foundation for presenting annual Biblical productions for people of all faiths.

Box offices for reservations are open daily from 10 a.m. to 5 p.m. at Oakland Auditorium Theater, Tenth and Fallon Streets, and at Sherman and Clay, Oakland.
